The Asia Pacific's Maritime

The Langkawi International Maritime and Aerospace exhibition is a leading trade exposition for defence, civil and commercial applications within the Asia Pacific region. Held biennially for nearly 30 years, LIMA has been serving exhibitor needs by assembling key decision makers, manufacturers and service providers from across the region over 5 days. LIMA's standing within the aerospace and maritime community continues to be reinforced with its most recent 14th edition which attracted representatives from a total of 59 countries.

and Aerospace Exhibition

LIMA'17 Show Report

Another Huge Success!

LIMA'17 was no doubt a huge success with a unique split between the Maritime and Aerospace segments. Thanks to the companies and supporting agencies that, collaboratively gave their undivided support in the overall running of the event. LIMA has grown from strength to strength since the first edition in 1991, to be one of the biggest shows in the world.

As it stands today, LIMA is without question, one of the main focal points for the maritime and aerospace community and a mainstay in the global events calendar. The 14th edition of the Langkawi International Maritime and Aerospace Exhibition witnessed a participation of 555 companies from 36 countries covering a total occupied area of 119,209 square meters. Malaysian companies topped the chart in participation of the event, followed by Russia, France, Australia, United Kingdom and the United State of America.

The dedicated maritime segment of LIMA'17 was set to be a platform for serious business discussions, resulting in some encouraging development in the maritime industries connected the key maritime buyers, government agencies and industry leaders all at one place.

In attendance throughout the 5 days of the event were 371 delegations from 49 countries as well as 279,969 trade and public visitors. The event was covered by 634 journalists comprising local and international media and trade magazines.

Working hand in hand with the Government of Malaysia to deliver a world class event

LIMA continues to enjoy the committed support from the Government of Malaysia and industry associations. This support has positive benefits that permeate through the entire organization of LIMA and passed on to exhibitors, in particular, with regard to delivering relevant key visitors to the exhibition. LIMA regularly invites delegates from over 60 countries that represent the Asia Pacific market and beyond. The organizer works hand in hand with all agencies in the spirit of Malaysia Incorporated, to ensure the widest targeted trade visitorship to LIMA.

Supported By

A Truly International Showcase

LIMA`17 delivered an incomparable business service for its exhibitors and customers via power packed programmes

Conferences

- ♦ **ASEAN Aviation Summit 2017**
by Ministry of Transport Malaysia
- ♦ **Chief of Navy Roundtable Talks**
by Royal Malaysian Navy
- ♦ **Air Chiefs Conference 2017**
by Royal Malaysian Airforce
- ♦ **Search & Rescue Forum**
by Malaysian Maritime Enforcement Agency

Seminars

- ♦ **Czech Defense Technology Presentation**
- ♦ **Talk On "Overview And Current Issue On STA 2010"**
- ♦ **Talk On Industry Collaboration Programme**
- ♦ **Talk On Research And Technology**
- ♦ **Forum On The Aerospace Industry**
- ♦ **MIGHT Open Forum**
- ♦ **B2B Meeting by Matrade**
- ♦ **Malaysian Maritime Enforcement And Agency**

Business Programmes

- ♦ **MOU Signing Ceremony**
- ♦ **B2B Meetings**
- ♦ **Maritime Industry Breakfast**
- ♦ **Aerospace Industry Breakfast**
- ♦ **Golf Classic**

LIMA'17 Key Figures

LIMA'17 Delivers Quality Delegates

LIMA'17 delivered key senior delegates and trade visitors that created a high impact, high profile event for exhibitors. More importantly, the event presented an unrivalled opportunity to gain market insight, promote product, boost company and product awareness, build brand loyalty and ultimately increase sales.
